MEMORANDUM FOR: Director of Central Intelligence

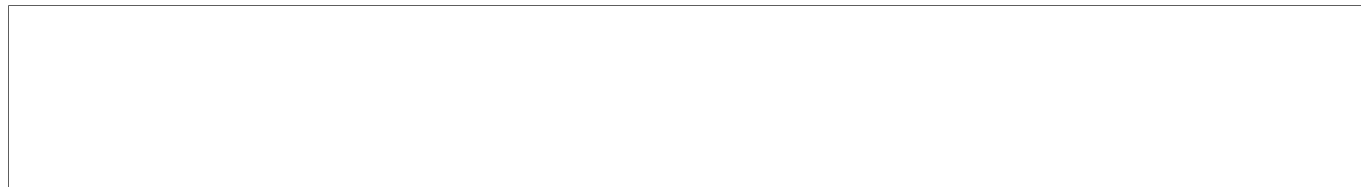

FROM: William F. Donnelly  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 21 November 1986

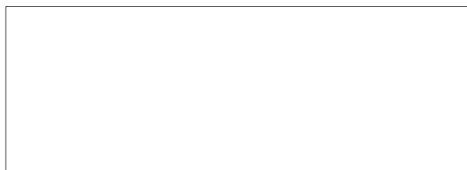

25X1 1. The Office of Communications (OC) accomplished major communications  
25X1 upgrades 

5. The OIT Winter Planning Conference addressing the long-range planning for data processing and communications systems took place during 17-21 November. This was the first conference integrating data processing and domestic communications planning. Attendees included representatives from all four directorates.

7. Our recruiters continued to encounter protests this week at Amherst College, University of Massachusetts, and the University of Wisconsin. Interviews were conducted despite the demonstrations.

8. The 1987 Summer Fellows Program has received 97 applicants for the 78 intern positions available, suggesting a far greater participation for 1987.

9. The Office of Equal Employment Opportunity held the first of 10 Urban Awareness courses to be presented in FY 1987. The course had 24 participants, including a representative from the National Security Agency (NSA) who evaluated the applicability of the course for future NSA use.

25X1 10. On 12 November OIT personnel surveyed the area where a secure  
25X1 telephone (STU-II) will be installed [redacted]  
[redacted] OIT technicians will install the STU-II equipment and provide guidance to  
[redacted] technicians if requested.

11. The Office of Training and Education (OTE) has initiated discussions with Mr. Bard O'Neill of the National War College (NWC) about the content and plan for our new course on Insurgency and Counterinsurgency. Mr. O'Neill, an acknowledged expert in the area, conducts a similar program for the NWC.

12. OTE briefed Directorate of Administration training officers on its Executive Development Staff (EDS) programs. Briefings will be scheduled with each of the directorates to spread the word about the focus and scope of these programs.

25X1 13. Office of Security personnel provided [redacted]  
briefings to National Security Council (NSC) staff officers, and Office of Management and Budget representatives. The briefings were well received and NSC requested they be kept informed of progress in this area and of any Agency recommendations made to Congress.

14. A representative from OC attended the first meeting of the Communications Working Group of the Walker-Whitworth Interagency National Damage Assessment. The working group, comprised of representatives from CIA, the National Security Agency, the Defense Intelligence Agency and the Department of the Navy, is chartered to identify the cryptographic and communications systems compromised by the Walker-Whitworth spy ring.

15. Three OS polygraphers successfully completed the FBI Advanced Polygraph School. Eight other polygraphers are presently TDY in support of the Industrial Polygraph Program and three divisions of the Directorate of Operations.
